The perfume I received and my review

Shenandoah

EAU DE PARFUM

The signature scent of Terri Michele Fragrances, Shenandoah is fresh, clean, and aquatic, with classic appeal and superb staying power. An inviting combination of floral notes, the fragrance is at once soft, subtle, and alluring. The singular, utterly feminine scent is said by some to be purity and light captured in a bottle. Artisanal in concept, Shenandoah is custom-blended and worn by company founder Michele Kaplan.

The Notes:

Bergamot, White Lily, White Musk, Freesia, Lotus, Ylang Ylang, Sandalwood

Retail Price: \$68.00 50ml / 1.7FL OZ

I really liked the bottle first off, the scent is very light and calming. This would be a fragrance to wear to lunch with the girls ☺ It's very soft and very light. I really liked it a lot. I would really love to have the candle ☺
